What are my obligations?

- The Policyholder must answer the questions on the health questionnaire truthfully; this will allow the insurance company to correctly assess the risk. If any information in this statement is false or omitted, the insurance company may cancel the insurance policy.
- The Policyholder must pay the cost through the payment method and within the deadlines agreed with the insurance company.
- Show the insurance company Insured card and identification document, if required, on receiving the services.

When and how must I make the payments?

The cost of insurance is annual and can be broken down into the agreed instalments. This product has co-payments. To see the co-payments, go to www.sanitas.es
Payment will be made via direct debit from the bank account of the contracting party.

When does the cover start and end?

The insurance contract is annual, and comes into effect at 00:00 on the contract start date. It will be automatically renewed every year, unless the Policyholder or the insurance company specifies otherwise.

How can I terminate the contract?

On the expiry date of the insurance contract, it will be tacitly extended for successive periods of one year, unless one of the parties (the insurance company or Policyholder) opposes one of these extensions by notifying the other two months in advance in the case of the the insurance company and one month in the case of the Policyholder.
