

# Debit Card Enrollment Terms and Conditions

The granting of the card is subject to prior authorization by BBVA.

1. **Apply for it between 05/05/2026 and 04/06/2026 and reach the minimum spend between 05/05/2026 and 04/07/2026..**

2. **Promotion Conditions:**

- Promotion addressed exclusively to the intended recipients of this communication.
- To benefit from the promotion, you must have contracted the debit card, with no issuance or maintenance fees forever, and, within the two months (60 calendar days) following receipt of this communication (hereinafter, the "campaign period"), make purchases for a minimum total amount of 150 euros (calculated as confirmed purchases minus returns made during the campaign period). Cash withdrawals, payments related to gambling activities regulated under Law 13/2011 of May 27 on the regulation of gambling, and transactions involving financial assets are excluded.
- If the aforementioned conditions are met, you will receive an email notifying you that you have obtained the flight during the month following the end of the promotion's validity. This will be sent to the same address used for this communication.
- The delivery of the promotional code may have tax implications; therefore, you should take this into account for your Income Tax return. In case of doubt, we recommend consulting your tax advisor.
- **Flight Conditions:**
  - **Expiration:** The promotional code will expire 12 months after the receipt of the communication confirming the flight award.
  - **Redemption:** The effective redemption of the code is subject to its use within the 5 booking windows enabled during the indicated validity period. It is the customer's responsibility to check the deadlines and conditions of each window on the provider's website: [canjea-vuelo.girpormo.com](http://canjea-vuelo.girpormo.com).
- **Includes:**
  - 2 Direct round-trip flights (2 outbound/return segments per person).
  - Valid for 2 people.
  - Flights with Low Cost and Regular airlines according to promotional availability at the time of booking, depending on origin and destination, which may be limited or unavailable on certain days or times of the year.
  - **Destinations:** Airports in European cities and Morocco.
  - **Origin:** Spanish airports.
  - **Baggage:** 1 piece of cabin hand luggage per person, with dimensions and weight based on the airline each user flies with.

- **Does not include:**

- **Taxes and management fees:** €30 for national flights and €35 for international flights per segment and user.
- Taxes are subject to possible changes based on the evolution and increase of airline tariffs due to: fuel price increases, airport taxes, or other costs that European states may implement and which may affect airline costs. Should such an increase occur, the established proportionality based on the future evolution of taxes and costs will always apply, ensuring the GIR flight incentives retain their added value and advantages.
