<p>The terms and, if applicable, the order in which the installment payments will be carried out.</p>	<p>A capital and interest payment will be calculated for the indicated Amount and Term for a loan formalized on 01/31/2021:</p> <ul style="list-style-type: none"> - Example: if you do not have your paycheck paid directly into your account, €10,000 over 60 months at 7.20% will result in capital and interest payments of €198.96 each. If your paycheck is paid directly into your account, at 6.20%, you will pay 60 payments of €194.26 each. <p>In addition to the indicated payments, you must pay the interest accrued from the date the loan enters effect until the date the first payment is made. For the above example, the interest will be €0.</p>
<p>Total amount you must pay That is, the capital lent plus the interest and potential expenses associated with your loan.</p>	<p>The total amount payable for the amount and term indicated is:</p> <ul style="list-style-type: none"> - €12,206.34 if you do not direct deposit your paycheck. - €11,924.57 if you direct deposit your paycheck.

* The data provided in this document is calculated as of the date indicated in the "Data Calculation Date" section.

3. Loan costs

<p>Debtor type</p>	<p>Depending on whether or not a discount is applied to the interest rate, the borrowing rate for the above example will be:</p> <ul style="list-style-type: none"> - 7.20% fixed annual nominal interest rate if you do not direct deposit your paycheck. - 6.20% fixed annual nominal interest rate if you direct deposit your paycheck. <p>However, BBVA will apply the latter annual nominal interest rate from the date the loan takes effect until 03/31/2021, even if you do not direct deposit your paycheck. After this date, the fixed annual nominal interest rate will be charged in accordance with the discount conditions that apply at the end of each successive six-month period, from the date the loan went into effect.</p>
---------------------------	--

<p>Annual percentage rate (APR)</p> <p>The APR is the total cost of the credit expressed as the annual percentage of the total amount of the credit. The APR serves to compare different offers.</p>	<p>Possible APR has been calculated under the hypothesis that the contract will remain in force for its entire duration, the parties will comply with their obligations in the agreed conditions and terms, the total amount of the loan is available and discounts can be applied to the interest rate according to the contract conditions.</p> <p>Example:</p> <p>Paycheck not direct deposited: Fixed NIR: 7.20%; APR: 8.65% Loan amount:10,000 euros, formalized on 01/31/2021. Monthly payment: €198.96. Commitment fee: 2.30% of the loan amount: 230 euros. Postage: €0.70 monthly. Total debited amount: 12,209.34 euros.</p> <p>With paycheck paid into your account: Fixed NIR: 6.20% APR: 7.57% Loan amount:10,000 euros, formalized on 01/31/2021. Monthly payment: 194.26 euros. Commitment fee: 2.30% of the loan amount: 230 euros. Postage: €0.70 monthly. Total debited amount: 11,927.57 euros.</p> <p>If you need to open a checking account exclusively for managing this loan, and if the conditions for having no maintenance fees on said account are not met, the fee will be €120 per year. Therefore, the APR of the loan would be 9.99%, with a total cost of €12,527.57.</p>
---	--

<p>Applicable discounts</p>	<p>You will receive a discount on the applied interest rate of:</p> <p>a. A discount of 1.0000 percentage point will be applied to this nominal interest rate (NIR) if you, or any of the other borrowers (if there are several), direct deposit into a BBVA checking account:</p> <ul style="list-style-type: none"> • a paycheck for a monthly net amount of at least six hundred euros (600.00 euros), a pension for a monthly net amount of at least three hundred euros (300.00 euros), or if you receive an unemployment benefit. <p>In order to obtain the discount, you must deposit your paycheck, pension or benefit into your BBVA account via a bank transfer that is ordered directly by the payer business or agency.</p> <p>You must comply with the following conditions to qualify for the reductions:</p> <ul style="list-style-type: none"> - Ensure that the direct debit payment is still in effect at the end of each monthly interest payment period. - Have no payments outstanding on the loan when BBVA checks compliance with the discount conditions at the end of every six-month period. For such purpose, you will be understood to have no payments outstanding if: <ol style="list-style-type: none"> a) You have not missed a payment on two occasions within the six-month period (even if the payment is renegotiated at the time); b) You have not failed to make a payment for more than ten days within the six-month period (even if the payment is renegotiated at the time); c) The last payment for the six-month period is not outstanding. <p>Entering into this loan does not mean that either you or BBVA is obliged to provide or acquire all or some of the related products or services.</p>
<p>Is it compulsory to take out an insurance policy which underwrites the credit or another accessory service, in order to obtain the credit (in the offered terms and conditions)?</p> <p>If the lender is not aware of the costs of these services, they will not be included in the APR.</p>	<p>NO</p> <p>The loan is for BBVA customers who have a checking account with BBVA from which the loan repayments can direct debited. The cost of the loan is indicated in the specific agreement.</p>
<p>Related expenses</p>	<p>Commitment fee: 2.30% on the amount of each drawdown. Minimum Euros 0.00.</p>
<p>Compulsory Notary Public fees</p>	<p>By way of information, the notary public tariffs are indicated below:</p> <p>For transactions lasting no more than six months, the tariff is 1 per 1,000 on the transaction amount, payable by each party to the agreement.</p> <ol style="list-style-type: none"> 1. For loans of no more than six months, the tariff is 1 per 1,000 (0.1%) on the transaction amount, payable by each party to the agreement. 2. For transactions of more than six months, the tariff is 1.50 per 1,000 (0.15%) on the transaction amount, payable by each party to the agreement. 3. Without prejudice to the provisions of this tariff, you will be responsible for paying the fees.

<p>Expenses on delayed payments</p> <p>Failing to make a payment may result in serious consequences (e.g. compulsory sale and early repayment of the entire amount outstanding) and make it difficult to obtain credit in the future.</p>	<p>Late payments will incur the following charges:</p> <ul style="list-style-type: none"> - An interest rate equivalent to the annual nominal interest rate plus two points. - €30.00 as a Debt Collection Fee. BBVA charges this fee once for each past-due payment.
